

REMARKS

Applicant respectfully requests reconsideration of the pending claims in view of the election of species and the following comments. Claims 35-68 are withdrawn. New claims 69-75 are added. Claims 1-34 and 69-76 are currently pending.

Support for the new claims 69-76 is found in the claims as originally filed, the specification and the drawings. Specific support for claim 71 is found in the specification and in Figs. 3 and 4. Applicant notes that some of the terminology has been modified to clarify structure and function of various claim elements. Applicant submits that the new claims are of similar species to the elected claims, and should add no additional burden to the searching effort. No new matter has been added.

Applicant respectfully requests that if the Examiner has questions involving the response to the restriction, or questions involving the prosecution of this case, that they contact the Applicant's undersigned representative at the telephone number below.

Respectfully submitted,

/Shawn A. McClintic/
